

Family Fishing Waters in the Panhandle Region

1. Antelope Lake—Clark Fork
Travel east of Clark Fork on Highway 200 approximately 1.5 miles to a dirt road on the north side of the highway that winds approximately 8/10 of a mile up the hill to Antelope Lake. Species—cutthroat trout, rainbow trout
Note: Electric Motors Only Water

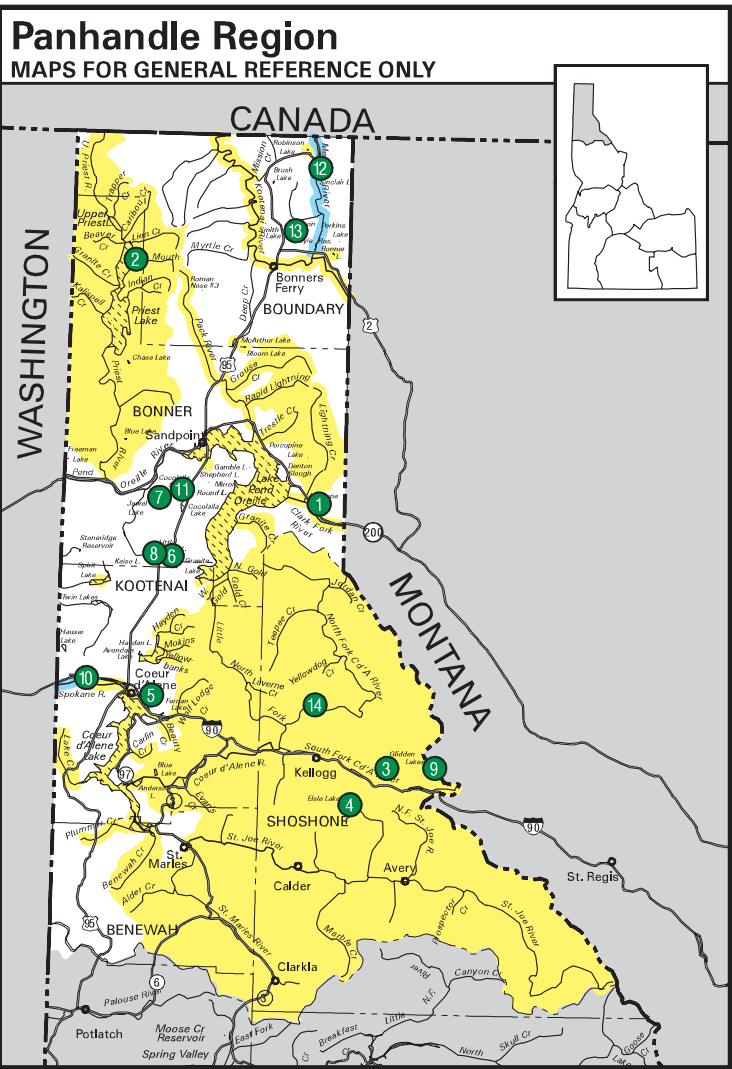

2. Bull Moose Lake—Priest Lake
Travel north on Highway 57 from Priest River. Take the Dickensheet cutoff east to Coolin, then head north up the east side of Priest Lake. Bull Moose Lake is on the east side of the road ¼ mile or less after you cross Two Mouth Creek. There is a small parking area and you must walk a short distance to the lake. Species—rainbow trout

3. Day Rock Pond—Wallace
Travel east on Interstate 90 to Wallace. Go underneath the interstate and travel northeast up Ninemile Creek approximately 3.5 miles. Day Rock Pond is located at the junction of Ninemile and the East Fork of Ninemile creeks. Species—rainbow trout

4. Elsie Lake—Kellogg
Travel east on Interstate 90 to the Big Creek exit. Take the Big Creek Road south all the way to the top of the mountain. Elsie Lake is a drive-to mountain lake and the road is rough. Species—rainbow trout, brook trout
Note: Electric Motors Only Water

5. Fernan Lake—Coeur d’Alene
Fernan Lake is located just east of Interstate 90 off the Sherman Street exit. Species—rainbow trout, cutthroat trout, largemouth bass, smallmouth bass, crappie, perch, pumpkinseed, bluegill, northern pike, channel catfish, bullhead catfish

6. Granite Lake—Athol
Take Highway 95 north of Coeur d’Alene to Athol, then continue north past Athol approximately 3 miles. The Granite Lake/Kelso Lake turn off is located on the west side of Highway 95 just as it transitions into a passing lane in the north bound lanes. Take the gravel road west approximately ½ mile, cross the railroad tracks and then turn left at the junction. Granite Lake is down the hill approximately ¼ mile on your left. Species—largemouth bass, crappie, perch, pumpkinseed, bluegill, bullhead catfish, rainbow trout

These symbols indicate fish species known to be present in these waters:

Perch, Rainbow Trout, Crappie, Largemouth or Small-mouth Bass, Channel Catfish, Bullhead Catfish, Sunfish

7. Jewel Lake—Sandpoint
Travel on Highway 95 south of Sandpoint (about 3 miles south of Sagle), or north of Coeur d’Alene (about 2 miles north of Westmond) to the Dufort Road. Take the Dufort Road by the dumpsters on the west side of Highway 95 past Round Lake State Park, cross Cocolalla Slough and then watch for a small sign on the left that will mark the dirt road to Jewel Lake. The dirt road turn off to Jewel Lake is located about 8/10 mile after you cross Cocolalla Slough. Follow the main road up and over the hill approximately 3 miles to Jewel Lake. Species—rainbow trout, bluegill, perch, channel catfish
Note: Electric Motors Only Water

8. Kelso Lake—Athol
Take Highway 95 north of Coeur d’Alene to Athol, then continue north past Athol approximately 3 miles. The Granite Lake/Kelso Lake turn off is located on the west side of Highway 95 just as it transitions into a passing lane in the north bound lanes. Take the gravel road west approximately ½ mile, cross the railroad tracks and then turn left at the junction. Granite Lake is down the hill approximately ¼ mile on your left. Kelso Lake is another ¼ mile past Granite Lake. Species—rainbow trout, largemouth bass, crappie, perch, pumpkinseed, bluegill, bullhead catfish
Note: Electric Motors Only Water

9. Lower Glidden Lake—Wallace
Travel east on Interstate 90 to Wallace. Take the Canyon Creek exit and travel northeast towards the Idaho/Montana boarder at Cooper Pass/Burke Summit. The ½ mile dirt road to Lower Glidden Lake is on the south side of the road approximately 1.5 miles from Cooper Pass/Burke Summit. Species—rainbow trout, brook trout
Note: Electric Motors Only Water

10. Post Falls Park Pond—Post Falls
Take the Spokane Street Exit on Interstate 90 at Post Falls and travel south for ½ block to Fourth Street. Travel west on Fourth to the large parking lot and walk a short distance to the pond. Species—rainbow trout, largemouth bass, pumpkinseed sunfish, perch

Table with 6 columns: Water, Boat Ramp, Fishing Docks, Toilets, Picnic Tables, Camping. Rows list various fishing locations in Northern Idaho and their facility availability.

11. Round Lake—Sandpoint
Travel on Highway 95 south of Sandpoint (about 3 miles south of Sagle), or north of Coeur d’Alene (about 2 miles north of Westmond) to the Dufort Road. Take the Dufort Road by the dumpsters on the west side of Highway 95 to Round Lake State Park. There is a State Park entrance fee. Species—rainbow trout, brook trout, largemouth bass, crappie, perch, pumpkinseed, bullhead catfish
Note: Electric Motors Only Water

12. Sinclair Lake—Bonners Ferry
Travel north on highway 95 from Bonners Ferry towards the Canadian boarder at Eastport. Turn right at the Good Grief bar and travel south on the frontage road that parallels the Moyie River. Travel south on the frontage road a little over a mile until you cross over the Moyie River on a bridge. You will then cross a set of railroad tracks and the short road into Sinclair Lake is on the right, or to the west, just past the railroad crossing. Species—rainbow trout
Note: Electric Motors Only Water

13. Smith Lake—Bonners Ferry
Travel north of Bonners Ferry on Highway 95 approximately 2 miles past the junction of Highway 2. Look for the brown with white lettering Sportsmen’s Access sign for Smith Lake and take the gravel road about 2 miles to Smith Lake. Species—rainbow trout, largemouth bass, perch, pumpkinseed, bluegill, channel catfish, bullhead catfish
Note: Electric Motors Only Water

14. Steamboat Pond—Kingston
Travel east on Interstate 90 from Coeur d’Alene and take the Kingston Exit. Travel north on Forest Highway 9 up the North Fork Coeur d’Alene River approximately 10 miles past the Snake Pit bar and restaurant at Enaville. Look for the sign and pond on the west side of the road across the river from where Steamboat Creek enters the North Fork Coeur d’Alene River. Species—rainbow trout
